Membership

Active Members have the ability to make motions for votes, and to cast their vote in CM's big decisions. Active members either attend meetings monthly, or check in prior to monthly meetings.

Inactive Members are people who have previously been active, but have not paid dues.

Dues are paid in many ways:

\$20 per month or 2 hours of volunteering.

There are many ways to volunteer:

Acting as a liaison and collaborator with another group. Volunteering for an event or action.

Planning/organizing an event or action with us.

Keeping Track of Dues

Active Members will have Membership Cards. These will be stamped at monthly meetings based on each member's report on what/when dues were paid/completed. This is how we will keep track of active members for voting. If a member misses a month of dues, they are able to do extra in another month. Memberships restart at the beginning of each year. Dues must be up to date and completed for voting.

We will update membership logs at each monthly meeting. This is why it is important to attend or check-in prior to monthly meetings with their dues (volunteer activity or payment).
